Message: Sir, I am a cross country truck driver, this lets me hear the opinions of
a large number of people ie; Blue Collar Workers. The majority of people throughout
this country have no problems with our "Rebel" flag, however there are a few. A really
good estimate is about 1 in 500 or 600 and these can usually be described as racial
extremist who would see a slight against them even if a Magnolia was put up there
instead.

Well, my point is, I really appreciate you taking a stand in making sure that everyone
in this state, and providing a roll model for other state's Governors to look
to and follow, not just bow down according to "political pressure".

Thank you for your time and concern for the opinion of all of your charges in the
Beautiful State of Mississippi.
